

# Introducing

# STEALTHBOXER™

**The First Door-Mounted, Zero-Footprint Punching Bag Brings the Benefits of Boxing Workouts to Apartments, Dorms, Bedrooms, and Offices**

**StealthBoxer** is the door-mounted punching bag - *Your Train Anywhere, Train Anytime Solution*. Sets up in seconds, folds flat on the same door when not in use taking up no space – that's a zero-footprint! Perfect for: **bedrooms, apartments, offices, home gyms and college dorms.**

**StealthBoxer is Ideal for:**

- Competitive Training
- Physical Conditioning
- Weight Loss
- Stress Relief
- Physical Therapy

Practice boxing, kickboxing, MMA, and other martial arts. Work up a heart-pumping, calorie-burning sweat. Had a bad day? Now you can strike, punch, and kick your stress away. StealthBoxer is perfect for the beginner who may prefer additional workouts in the privacy of their own home, as well as the expert who can't get enough gym time.

**Zero Footprint Design -** Folds flat when not in use (far left); Opens, locks, and ready to use in 5 seconds (center and right)
